HEALTH ALERT: This area of the country is going to be very hot, with daytime temperatures in excess of 100 degrees. **Please plan accordingly!** Dress appropriately, stay well-hydrated, and carry and use sunscreen. This is no joke! Some of us are coming from climates where we are acclimated to this kind of weather, many are not. We don't want anyone's plans ruined due to heatstroke or heat exhaustion. Carry and drink lots of water at all times. We want everyone to be safe and have a good time at the rally!

In case of a health emergency, please note the location of Mesa View Regional Hospital on the above map.
